

# a love story

It all started when [1\_\_\_\_\_] met [2\_\_\_\_\_] at a/an [3\_\_\_\_\_].

He/she was holding a plate full of [4\_\_\_\_\_] and nervously humming the theme song to [5\_\_\_\_\_].

They locked eyes and immediately knew they both hated [6\_\_\_\_\_] and loved [7\_\_\_\_\_], which obviously meant it was meant to be.

Their first date was at a [8\_\_\_\_\_], where they split a [9\_\_\_\_\_] and talked for [10\_\_\_\_\_] straight about [11\_\_\_\_\_].

From that moment on, they were inseparable.

They adopted a pet [12\_\_\_\_\_], binge-watched every season of [13\_\_\_\_\_], and only occasionally argued about [14\_\_\_\_\_].

The proposal? Oh, it was perfect. [2\_\_\_\_\_] got down on one knee in the middle of [15\_\_\_\_\_] and said, “[16\_\_\_\_\_]!”

Now, they’re getting married, and honestly, we’re all just here for the [17\_\_\_\_\_] and free [18\_\_\_\_\_].

Wishing them a lifetime of laughter, love, and shared [19\_\_\_\_\_] to keep things interesting.
