

Disney Mad Lib

The history of Disney began when Walt Disney created Mickey Mouse. However, what not many people know is that he had initially planned for Mickey to be a/an [1_____] with big [2_____]. Instead of navigating a steamboat, he actually wanted Mickey to [3_____] a [4_____] while [5_____]. Back then, they did not draw on paper but on thin [6_____] and drew with sharpened [7_____] dipped in ink.

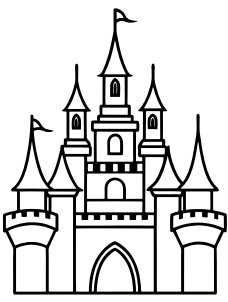

Later on, Walt intended to create his first full-length animated movie called Snow White and the Seven [8_____]. But it didn't test well with audiences, so he changed it to "dwarves." The film cost [9_____] million dollars and was [10_____] times over budget.

Walt Disney loved [11_____] characters and [12_____] stories, especially about love, friendship, and [13_____].

One movie that he regretted never making was about a young [14_____] who had lost her [15_____] and needed to travel across [16_____] in order to find it. In doing so she would turn into a/an [17_____] [18_____] and save the kingdom from the evil [19_____].

After Walt passed away, his legacy lives on in the countless movies the company has created since. From well-known [20_____] ones like The Jungle Book and Frozen, to more [21_____] ones like King of the [22_____] and Return from [23_____] [24_____].

What a/an [25_____] legacy Walt Disney and the Disney company have made.
