

Once I was asked to tell some
hammer jokes at the local
stand up comedy show.

I nailed it.

I named my hammer Thor.

Because after swinging it all day my arm
is thor.

A construction worker decided to
go to a bar for a few drinks.

He got hammered.

What do you call a song about
hammers?

An absolute banger.

I told my dad that I was
hungry.

He just handed me a quarter and a mallet
and said here's a quarter pounder.

How can you avoid hitting your
fingers when you drive in a nail
with a hammer?

Hold the hammer with both hands.

What happens when the god
of thunder drops his
hammer?

He gets a Thor foot.

Why is the hammer the
dumbest of all the tools?

It's just not the sharpest tool in the box.

As a doctor I often get asked
why I use that rubber hammer to
tap patient's knees.

I just get a little kick out of it.

The other day, I heard about a
guy who vandalized some park
benches using a hammer.

The police said that was an act of mallets.
