

Road Trip Mad Lib

It was a/an [1_____] morning when [2_____] thought that it would be a great weekend to go for a road trip with [3_____], [4_____], and [5_____]. So they got together and they all brought their [6_____], their [7_____] sunglasses, and their [8_____] music.

They decided that they would drive to [9_____], which if [3_____] was driving would take [10_____] hours. However, [4_____] [11_____] ran and got into the driver's seat. "[12_____]!" [4_____] yelled, declaring his/her victory. [5_____] screamed "[13_____]!" which was their version of calling shotgun. [2_____] and [3_____] and [1_____] sat in the back seats and off they went.

After [14_____] minutes, [3_____] asked if they could stop at the next petrol station so they could use the [15_____]. "Good idea," said [2_____], "I want to grab some [16_____] chips and a can of [17_____]." "OK," said [4_____], who also wanted to get [18_____] [19_____] and to fill up the car with [20_____].

After [21_____] more hours, they arrived at their destination. "This was totally worth it," said [5_____] as they looked out at the [22_____] [23_____] made out of [24_____] [25_____]. "We have to do this every [26_____]," said [2_____].

And with that they got back in the car and drove home. What an [27_____] road trip.
