

Pizza Mad Lib

[1_____] was getting hungry and decided to make homemade pizza. He/she had never made it before but thought it would be easy enough. So [1_____] started to make the dough with [2_____] cups of flour, $\frac{1}{2}$ a [3_____] of [4_____] and 1 teaspoon of dried [5_____].

After working on the dough for [6_____], [1_____] spread out the dough into a [7_____] shape.

Next was the sauce, but [1_____], who didn't like tomatoes, decided to make a [8_____] sauce instead. On top he/she added some thinly diced [9_____], some [10_____] cheese, and a few spicy [11_____].

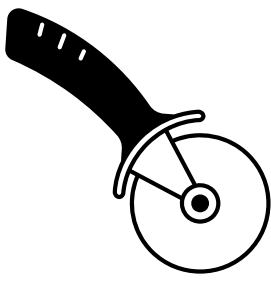

[1_____] then put it in the oven at [12_____] degrees and cooked it for [13_____]. "Ready!"

[1_____] exclaimed with [14_____].

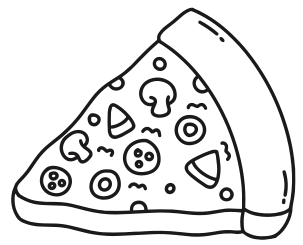

There was too much for just [1_____], so he/she called [15_____] to have some. [15_____] tried a slice but, for some reason, didn't like the taste of the [4_____] and thought it would have been better to use [16_____] instead, since that gives a more [17_____] flavor.

[1_____] disagreed and then told [15_____] that he/she was actually opening a pizza business in [18_____].

[19_____] later the business closed down.
