

Pokemon Mad Lib

When [1_____] turned [2_____], he/she began his/her Pokemon journey. [1_____] first went to see Professor [3_____], who had three Pokemon [1_____] could choose from. [1_____] chose the most [4_____] one, Charmander.

They then had to battle their rival [5_____], who had chosen [6_____] as their starter. “[7_____] claws, and then follow it up with fire [8_____]!” shouted [1_____]. It was super effective. But [5_____] told their Pokemon to [9_____] up high and then use mega [10_____]. Charmander was knocked out.

As Charmander recovered in the [11_____] Pokemon Centre, [1_____] swore to become the [12_____] Pokemon trainer in all of [13_____]. To do so they went out into the [14_____] grass and found a new Pokemon called a/an [15_____][16_____]. Charmander quickly weakened it by using a flame [17_____], and then [1_____] threw a Poke-[18_____] at it. “[19_____]” went the Poke-[18_____] when it captured it. “[20_____],” said [1_____].

After collecting eight gym [21_____], [1_____] was ready to battle the Elite [22_____]. Finally, after [1_____] had defeated them all in only [23_____] hours, he/she found that there was one more challenger to face – [5_____].

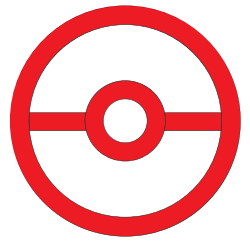

This time [1_____] used the legendary Pokemon he/she had caught called Mew-[24_____] from the [25_____] lab.

“[26_____],” said [5_____], looking at Mew-[24_____], “I give up.”

And that is how [1_____] became a Pokemon master.
