

Why weren't the two fours
hungry?

They already eight.

Don't start a conversation
with π .

It'll just go on and on forever.

Not all math puns are awful.

Just sum.

LOVEANDLAUGHGAMES.COM

Why doesn't anybody talk in
circles?

Because there's no point in it.

LOVEANDLAUGHGAMES.COM

Math is super important.

It's the only subject that counts.

LOVEANDLAUGHGAMES.COM

Parallel lines have so much in
common.

Too bad they'll never meet.

LOVEANDLAUGHGAMES.COM

Bit nervous about my math
exam.

Think my chances of passing it are 40-40.

LOVEANDLAUGHGAMES.COM

Do you know what seems odd
to me?

Numbers that aren't divisible by two.

LOVEANDLAUGHGAMES.COM

There are three kinds of
people in this world.

Those who can count and those who cannot.

LOVEANDLAUGHGAMES.COM

My calculator stopped
working mid-way through my
exam.

I can't count on it anymore.
